**The Vision:** Teams of 6-8 skaters, any mix of adults and kids, but only kids can score.

Depending on the number of teams, you are likely to see 4 20-minute games or 4-5 15-minute games. More detail as teams emerge. X-ice games, no goalkeepers or goaltending (goals and tires), no position, running time, continuity-facilitated. Choose your teams, but the tournament directors may need to realign players across teams for fun & competitive balance.
